

**September 2012**

**Laurentide tasting room doors opened for the 1<sup>st</sup> time.**

**In 2006 we had purchased a cherry orchard, planted a vineyard, purchased a Jehovah Kingdom Hall, remodeled it into our tasting room & were ready to SELL Pinot Noir 2010 and Sauvignon Blanc 2011...**

**September 2020 we  
CELEBRATE!**

**Looking back on hard work, good times, great staff, old friends, faithful customers, hundreds of winning wines & looking forward with hope for the future. Like giving birth, you only remember the result and not the pain so that is what we focus on & therefore celebrate:  
Hope for health, hope for a banner harvest, hope for peace & unity.**

**Thank You & Cheers Always!
