

COVID POLICY Update 10/20

Please understand our policies to enjoy your visit to Laurentide!

MASKS are MANDATORY

over nose/mouth unless you are seated. This is unchanged since reopening the tasting room and will remain until further notice.

Please maintain 6+ft distance between parties at all times. We have x spots in the tasting room and the sidewalk outside as reminders. Limit 1 person in bathrooms at a time to ensure social distance.

October seating is outside, rain or shine, so please come prepared for weather! Please WAIT at the greeting easel until your group is called to place your order at the bar.

Read about our wine on the front table literature. We provide wine flights, wine by the glass and wine by the bottle table service. We have several cheese flight options to select as picnic packages to enjoy at your tables or to go.

If there is a line inside, please WAIT outside in order of arrival, unless you are present for your table reservation.

We reserve the priority to seat smaller groups due to our occupancy restrictions, table configurations and staffing limitations.

Groups larger than 4 must sit together under our popups or picnic tables on the lawn and may experience longer waiting times as we seat reservations and smaller groups 1st.

When finished, leave glasses on the tables unless you plan on purchasing stemware. Garbage cans are provided outside for your trash. We then will clean and sanitize the tables and chairs for the next party.

Please exit through the tasting room to pay at the end of bar where we can package up your order to take home. We appreciate credit card sales only and 1 bill to expedite checkout. We email and text receipts on request. Hand sanitizer is available as needed.

Thank you for observing our policies put in place to ensure everyone's safety. We appreciate your patience as we work very hard to serve you. If you are not able to comply, we can deliver wine to your vehicle in our parking lot using **Click and Pickup** prepaid online orders found on www.laurentidewinery.com
