Dear East Meets West Wine Challenge Entrant:

The votes have been tallied and we are pleased to officially announce the results of the 2018 East Meets West Wine Challenge along with individual awards for the West Coast Wine Competition and International Eastern Wine Competition and Riesling Competition.

There are several ways we will promote winning wines. A press release will be sent to our media list and posted online. Top awards will receive promotion through our website at www.winecompetitions.com, on EnofileOnline.com and through social media outlets. An overview will appear in an upcoming issue of Spirited magazine.

Here are two options for your own promotion. (1) Web-link your wine listing from our results page to your homepage or order page for a one-time link fee of \$55. Call 415-640-6337 or email debra@winecompetitions.com to enlist this option. (2) You may personalize the Official Press Release and distribute to your own local media and other PR outlets. We will email the release to you in the days ahead so you may add your own messaging to showcase specific wines.

Wine Competitions Management & Productions wishes to express its appreciation for your support of this judging. Your medal(s) will arrive in 6-8 weeks.

On behalf of myself and our entire staff, we look forward to your entries again next year.

P.S. We are now accepting entries for the 2018 Press Democrat North Coast Wine Challenge. Entry deadline is April 6. See complete details at winecompetitions.com.
